

November 2021 Newsletter

Alumni Spotlight

The reigning Miss Oregon USA is Oregon Tech radiologic science alumna Allison Cook '16. This former college athlete, talented violinist and accomplished clinical imaging specialist is representing Oregon in the Miss USA pageant on November 29, 2021.

Learn all about Allison's path to Oregon Tech, her passion for medical imaging, how she gives back to her alma mater and her success in both the Miss America and Miss USA organizations.

Foundation Reaches Milestone

The spirit of generosity abounds at Oregon Tech as benevolent donors have allowed the Foundation to pay out over \$10 million in scholarships to Oregon Institute of Technology students.

At the annual Scholarship Banquet held in Klamath Falls last month, this amazing milestone was announced.

Mark Your Calendar for #GivingTuesday - November 30!

On Giving Tuesday, Owls everywhere show up, give back, and stand together in unity while making a difference for students and Oregon Tech. The goal is to create a massive wave of gratitude, generosity, and community engagement that is felt throughout the University and beyond.

The matching fund pool is growing now. For information about joining the matching fund and inspiring blue and gold generosity or other ways to be involved contact: [Mira Wonderwheel](#) at 541-851-5679.
